NINE HOURS AND

Long-Winded Attorney for the No Chairmanships for Buck- Father Ansoin Victim of Con-Defense in Cooper Murder Trial.

MISTAKE OF THE LAWYER

The attendance today at the opening of the trial showed a decrease, and when General Washington resumed his argument for the defense there were many vacant seats. Mrs. Lucas Burch, Robin Cooper's sister, who collapsed yesterday, was in court today pale and wan, but bravely attempted to cheer and encourage her brother. Mrs. Carmack did not appear, and it was stated that she was too ill to leave her room.

Frenzy of Oratory.

Working himself into a frenzy of oratory, General Washington devoted nearly an hour to a wild denunciation of the Carmack editorial of Oct. 12. This editorial calls attention to a statement in the American from Ripley, which said that Patterson men were advocating trading Bryan for Patterson votes. Then the cditorial called "the attention of the Honorable Ban Murray, the Honorable Dunc. Cooper, the Honorable Max Hartman and the Honorable Sol. Cohen" to this report.

Washington vigorously explained that

Washington vigorously explained that two of the honorables named were disreputables and that when Carmack associated Colonel Cooper's name with theirs he committed the gravest offense a man could commit and affronted and insulted Cooper beyond endurance.

The chief forester thinks it "highly important that we should have free pulp wood in the future as in the past, and the United States. Nashville, Tenn., March 11.—Attorney Washington, defending the Coopers and Sharp, on trial charged with murdering former Senator E. W. Carmack, spoke nine hours tcday, and then did not get through. When court adjourned, he announced that he would conclude "some time tomorrow."

The jury will be obliged to listen to ranch more southern oratory before it can consider the verdict, as Attorney Washington's long speech is only a preliminary affair for the defense.

The will be followed by Judge Anderson, who will make the main argument for the defense. Then Assistant Attorney General McCarn will close for the state.

day that the nine suspects may be taken before her shortly.

Through the story toid them today by 11-year-old Dorothy Gormack, the police became convinced that Father Ansoin's slayers had been lying in wait for him more than a week. The girl said that while in the church on Tuesday, March 2, she had seen a man hiding behind a pillar. As Father Duga, assistant to Father Ansoin, entered the church, the man scrutinized the priest closely and then quietly left the building.

Father Duga confirmed the girl's story, having noticed the man behind the pillar. The stranger was described as well dressed and wearing a brown overcoat.

That threats against Father Ansoin had been made by members of a society con nected with his church at a meeting held Sunday night in the church basement, was the statement made to the police today by Mrs. Sam Sampson. She said her husband had overheard the threats. Detectives were sent to find Sampson.

NEVADA RAILWAY LAW.

Carson, Nev., March II.—The Nevada senate passed today in its amended form the railroad commission bill, which will now go to the governor for his signature. The bill gives the commission the right to regulate fares and freights "reasonably," and does away with the maximum rate law lately sustained in a court decision. Many powers that were not granted the railroad commissioners heretofore are conferred under the new enactment.

will enable scores of European manufacturers to ship their product to America. Heretofore there was little market here for the European companies, as the American manufacturers controlled the market." Mr. Clark added:

"We have arranged to get twelve to fifteen reels of absolutely new pictures each week. Within a short time we shall have our pick of forty-two reels. This will include the New Anti-Trust Film company, that will shortly commence the manufacture of pictures. We are now in a position to supply any number of theatres throughout the west with the best service that money can procure."

I can't just tell how well I felt, but I remember I used to walk the twelve blocks to business and knew how good it was simply to live.

HEADACHES AND DIZZINESS

This Rockford Woman Was Discouraged but the Tonic Treatment Cured Her.

The first thing to do in nervous debility is to stop the cause of the trouble, if possible, whether it is irregular living, worry, or whatever it may be. Then the nerves must be given special nourishment and the blood must be kept pure and rich. This is the mission of Dr. Williams' Pink Pills and this is why the pills have been used with such great success in nervous troubles that did not yield to ordinary methods of treatment

Mrs. Frances D. Holmes, of No. 316 South Horsman street, Rockford, Ill., who was cured by this remedy, says:

"I was a great sufferer for over two years with nervous spells and sick headaches. I never felt well after the birth of our little girl. I was all run down and there were times when I could not see or stand up, because of the dizziness. My head ached continually, I could not sleep, was nervous, irritable and gradually grew worse and more and more discouraged. I thought I would never get any better.

"I was treated by our doctor for over a year but finally gave up his medicines and began taking Dr. Williams' Pink Pills. When I had taken them for a while I began to feel better and seemed to be getting stronger. The dizzy spells and headaches were less frequent and my nerves became steady. I took several boxes and was entirely cured. I cannot tell how thankful I am for what Dr. Williams' Pink Pills have done for me and will praise them to everyone suffering as I did."

The pills contain no morphine, opiate. narcotic nor anything to cause a drug habit. They do not act on the bowels but make new blood and strengthen the nerves. If you want good health you

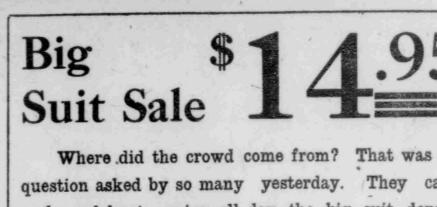

must have good blood. Thin blood means starved nerves,

Where did the crowd come from? That was the question asked by so many yesterday. They came early and kept coming all day, the big suit department being jammed all day, and everybody bought, and were more than satisfied. They said they looked more like \$25.00 Suits than \$20.00, but when they only had to pay \$14.95, with the alterations included, it certainly surprised them. And the way they bought was certainly gratifying. The Suits are, as we said, the greatest values that were ever offered, and tomorrow we will add about fifty more to the assortment, thus giving you as good a variety as was offered yesterday. No alterations will be charged today. Come early and get first choice.
